

**Ref: CX063, Carriageway Resurfacing Works on D4406 Latherford Lane,
Latherford.**

Dear Resident,

We would like to inform you that Staffordshire County Council's Structural Maintenance Team will shortly begin resurfacing works on the D4406 Latherford Lane. This £177,000 scheme will resurface the carriageway between Lower Latherford Farm and Featherstone Lane.

The work includes preparation—such as exposing all ironwork and jetting, ironwork adjustments and deep patching where necessary—followed by a full-width carriageway overlay and renewal of junction markings.

Works will start at **07:30 on Monday 23rd February 2026** and is expected to complete on 6th March (excluding weekends), taking place between **07:30 and 17:00**. **Vehicle access will not be possible during working times.**

For safety, the road will be **fully closed** during the works. Staff will be positioned at the closure point to help with access to landowners.

In an emergency, emergency services will be granted access when safe to do so.

Please note that all dates may change due to weather or operational requirements. The works may generate noise, and we apologise for any inconvenience. We appreciate your patience and will complete the works as quickly and safely as possible.
